It's a fact that church attendance is dropping at an alarming rate, and the traditional ways of promoting churches, such as radio, billboards, fliers, direct mail, postcards, email, signs, newspaper ads, and all this other stuff the JUST ISN'T WORKING ANYMORE! But churches need to focus on the ONE place where they can have an unlimited amount of people to visit their church, and that one place is Facebook. In this Church Growth Kit, I promise you, I will put all of the knowledge that I have learned in the past three years about Facebook and by the end of this, you will understand exactly how to reach tens of thousands of people on Facebook, make relationships with these people, and get DOZENS and DOZENS of new visitors to your church in 2019! This question ponders around the globe, but the place where your church needs to be doing outreach to your community, has been [...]

Gospel Books

For more info click on book image Out Of The Shadows I have placed Gospel Books on my website for the express purpose of bringing maturity to the children of God. It is past time for God's children to understand truths from His Word and no longer tolerate the false teaching that is so prevalent in the church today. In the past many years there has been multitudes of books written, but few, in my opinion, are Holy Spirit inspired. Most are written by worldly, unsaved writers for the money they bring. I can say with a clear conscience before my Lord that my books are written by me, an inexperienced person in the writing field, as I studied God's Word and opened my heart to the Holy Spirit. When you began to read them you will feel the anointing of the Holy Spirit. My prayer is that as you continue to read them, the Holy Spirit will attest to the truths in them. It is my joy and pleasure to bring them to you as well as the articles on my website. May God bless you richly as you visit my website again and again and advance into deeper Biblical Truths and spiritual maturity. Lookup a word or passage in the Bible I have placed Gospel Study Manuals on my website for your pleasure and spiritual growth. I want to thank you wonderful people for visiting my website; some many times. Many of you that have visited my web page have downloaded the Study Manuals and I pray you have not only enjoyed them, but have been blessed spiritually. I also have Gospel Books available for a very minimal cost. The cost helps defray the expense of this website. I wish for you a hunger to learn more about God and His ways. [...]
