

Cinderella Solution

Cinderella Solution

Individual Results may vary, and testimonials are not claimed to represent typical results. All testimonials are real women, and may not reflect the typical purchaser's experience, and are not intended to represent or guarantee that anyone will achieve the same or similar results. All images are Cinderella Solution. Every person has unique experiences, exercise habits, eating habits, and applies the information in a different way. Thus, the experiences that we share from other people may not reflect the typical users' experience. Due to recent statements from the FTC, it is required that we identify what a typical result is. The truth: most people never do anything with the products they buy, so most of the time, their typical results for both weight loss and maintenance of any weight lost is zero. The biggest factor is your ability to follow through. There is no such thing as a Magic Bullet. Your effort will determine your results. However, the results portrayed in are meant as a showcase of what the best, most motivated Cinderella Solution success stories have achieved. On average, women who follow our program lose 1 to 1.5 pounds per week. In addition, you assume certain risks inherent in exercise and nutrition programs by using this system. You should not begin the program if you have a physical condition that makes intense exercise dangerous. In addition, The Cinderella Solution requires you to follow an eating plan and at times restrict the amount of calories you consume. You should not begin this eating plan if you have physical or psychological issues which make fat loss dangerous. Cinderella Solution is an educational service that provides general health information. This is not a substitute for medical advice. Please consult a physician before beginning any exercise or diet program.[...]
