The Laying Loophole Service

"... If I could make you an average of 169.88 on Betfair, will you send me a cut of the profits?..." If you're reading this letter, it can only be for a simple reason and it's that you are . I'm sure you have also felt that it is virtually impossible to make money from betting. Am I correct? It's a feeling of despair and hopelessness! Have you ever heard of the expression, "There's no such thing as a poor bookie"? I'm sure you have, and there's a reason for it. . Millions of unsuspecting punters are consistently handing over their hard earned cash to these guys and the cycle repeats itself using the 'deposit' button. Maybe you are one of these unfortunate punters. If what I'm saying is hitting the nail on the head, please keep reading - I'm about to change your life. If you are into betting for the sole purpose of making money, then you've come to the right place. I also advise you to continue reading because I'm going to show you how to turn Betfair into your personalised cash machine where you can make a withdrawal from your account before you go to bed every night! This story is not for the faint of heart... It was back in 2006... I was on a string of losers and I placed a bet for 2000 and I lost. Yeah, you read that correctly. . I felt sick to the stomach. I had no idea what I was doing. I kept losing money and I was devastated as you can only imagine. I had lost so much money that it affected my personal life. I even gave up gambling for a while. 2 years later, a friend of mine and I were having a debate over a horse. It was a clear favourite for the race, but I told him that I thought that it had no chance. He told me to bet on it. "How on earth would I bet on a horse to lose?" I had no idea that it was possible until he showed me on his laptop. He opened up his Betfair account and showed me what lay betting was. He showed me that lay betting gave me the power to act as the bookmaker. I was shocked... It suddenly dawned on me right there and then. "There's no such thing as a poor bookie" finally made sense to me. "If you are betting against the house, the house will always win" I know you probably feel trapped. You probably feel that there truly is possible way

to make a decent, consistent profit over time from Betfair. The proof is in the pudding - 98% of punters lose.. but SOME are winning! Someone is taking all of that money that is being bet against one another. Why some punters earn[...]
