: Now you can easily drop six strokes (or more) off your game without even blinking — GUARANTEED! If you have ever wondered why your putts veer away from the cup, your shots seem magnetically attracted to the sand trap, or your drives end up in the rough... If you ever wanted to be one of those people who seem to always land the ball where they want it, WHENEVER they want to... The answer is right in front of you ... Wednesday, 8:45am From the Green Pitches of St Andrew's Imagine for a second, you are at the Mecca of Golf. One of the world's most prestigious golf courses beckons you. The sun is rising, warming the cool morning air blowing in your face. You look out over the oldest (and arguably best) course in the world, where the game has been played since the 15th century. You feel like you belong here. Your golf game is superb. Your putts are on target. Your drives straight and accurate. Your short game nothing less than magnificent. As you head to the last hole, you feel on top of the world... But it wasn't always like this, was it? Do you remember those days? When nearly every shot you took seemed laser guided to an obstruction, tree, sand trap, or worse? Every putt missed by a country mile? Five whacks got you out of the sand trap (if you were 'lucky')? Then you discovered the secret Tiger Woods used to elevate his game... The Secret That Made Tiger Woods Number One... In 2003 and 2004, the once infallible Tiger Woods seemed to slip... He did not win a major in either year. And in September, 2004, he was no longer the top ranked golfer in the world. Golf enthusiasts were buzzing about what happened to Tiger. Was it a rift with his swing coach Butch Harmon? Problems with his marriage? Health issues, no one knew about? Or was it something else? Tiger himself said he was working on his swing and once the adjustments were complete he would return to form. And that's EXACTLY what happened. But why did he, as one of the top golfers of all time, fiddle with his swing when he was on top of the world?

You see... Tiger had realized he had learned some bad habits that would ultimately keep him from playing his best and that he had to fix them or face serious problems with his game as he got older. Fast Track Your Golf Driving Skills Right Now... In order to improve your Golf game, you must follow a system. Otherwise you end up practicing the wrong things, the wrong way. Now, I'm not going to hold out on you — golf is FAR too important to me for that. Here[...]
