

# Who Is Your Guardian Angel? Myers-briggs Personality Test

## Is Your Guardian Angel Trying To Send You An Urgent Message?

Guardian Angels protect us from danger and keep us safe. Have you ever narrowly avoided disaster - where your situation could have turned out MUCH worse than it did? Yes Not Yet Angels calm and protect in times of need. Have you ever been through a difficult time when you felt down and out, and then suddenly felt a sense of calm or warmth come over you? Yes Not Yet Based on your answers, it appears that an Angel has been trying to reach out to you. However, you have not been able to fully capture their message or make sense of what they are trying to tell you. The first step to connecting with your angel is to know their name so that you can better understand who it is that watches over you and protects you. Angels are chosen for us the day we were born. Find out which ArchAngel was assigned to the day your were born by entering your birthdate below. The signs of your Angels presence combined with your birthdate reveal an extraordinary Angel is watching over you, and you have an urgent message. Because of the "Law of Free Will", Angels cannot intervene in our lives unless we specifically ask for their help (The only exception to this is a life-endangering situation). So request for their Angelic help today, and I will prepare a special free reading for you. One which will reveal your Angels name and the message that your Angel has been trying to communicate with you. Where shall I send your free reading? [...]
